Special Order Form for Braille & Large Print Test Forms

School System: _____ System Code: _____

System Test Coordinator Name: _____

Overview: The special order form should be used to collect and submit counts for those Limited English Proficient students who will require Braille versions or Large Print versions of the MontCAS ELP tests.

Directions: Please complete a copy of this form for each school in your system with LEP students who require a Braille version or a Large Print version MontCAS ELP test. This information is needed by the testing vendor no later than August 22, 2008 in order for your system to receive the special versions of the test forms for the Montana English Language Proficiency Assessment, which will be given to all Montana LEP students this fall.

Beginner Level Forms are to be used by LEP students with beginning or novice skills in English. So, it would be appropriate for students in their first year in a U.S. school (LEP1) and other LEP students who are not reading simple stories and writing simple sentences. *LEP1 students who have more than basic English language skills and all other LEP students should take the Intermediate level test.*
